Thank You

The Class of 2018 would like to take this opportunity to show our thanks and appreciation to the entire staff and administration for four wonderful years at Clinton High School. Your caring and compassion made Clinton High a positive place for learning.

Thank you to our class advisors, Miss Calkins and Mr. DellaValle for their support, and most notably, their enthusiasm. We would not have had as much fun or such memorable high school experiences without your dedication to our successes.

Thank you to Mr. Hastings and Mrs. Kach, who made CHS our home away from home.

We would also like to thank Mrs. Solar, Mrs. Pupecki and Mrs. Moran, in the Guidance Department, for guiding us to our futures, and for helping us with our many college questions, scholarships, and financial aid.

In addition, we would like to extend our appreciation to Mrs. Sweatland and Mrs. Schmidt, who shared in all of our achievements and arranged a beautiful graduation ceremony.

Thanks for the Memories

The Class of 2018 would like to extend additional thanks to the following people who shared in our last four years, who will be, or have gone on to enjoy retirement, taken temporary leave or who've taken on new positions: Mr. Terrance Ingano for always putting the students of Clinton at the forefront of everything else; Ms. Brenda Seymour for guiding many of us through the difficult process of learning the complexities of the English language; Mr. Mark Allard for coaching us through science and life; Mrs. Ingrid Adade for teaching us how to be responsible with our money; Mr. Tony Gannon for making us more physically fit, and most importantly, for making us laugh; Mrs. Jeanette Rice for forever nurturing us; Mr. Adam Ingano for making us historically aware and responsible citizens; Miss Irvine for sharing her passion for science; Mr. Hilli for guiding many of us down the right path; Mrs. Quayle for inspiring many of us to explore careers in science; Mr. Borja for always helping us with a kind and warm smile; Mr. Vaporis for sharing his love of books with us and Mr. O'Malley for sharing his passion for history, psychology and criminal justice with us. We are forever grateful for all that you have done and wish you the best in your future endeavors.

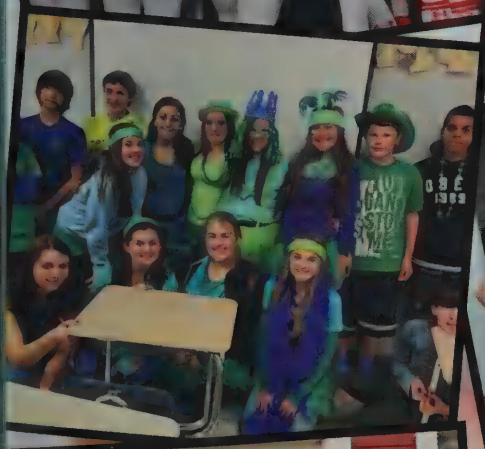
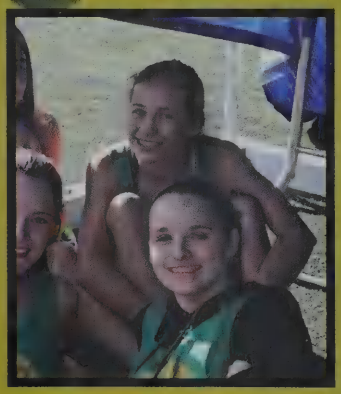
Freshman Year

August of 2014, opened up a new chapter in our lives. We had no idea what to expect during the next four years of high school, but we were ready to take on the challenges that lay ahead. We eagerly left behind the halls of CMS and began to call CHS our new home. In our first class election, we elected Sam McGown as President, Marie Curiel as Vice President, Emily Stone as Secretary, and Audra Doolin as Treasurer. The Student Council Representatives were Nehemie Lamarre and Riley Scanlon. Freshman year started and ended in the blink of an eye. We made it through the year and began our preparation to be Sophomores.



Sophomore Year

Sophomore year began in the fall of 2015, and we were no longer the youngest members of the school. Ready to embrace our role as a sort-of "middle child," we voted for Sam McGown as our repeat President, Marie Curiel as Vice President, Audra Doolin as our Treasurer and Cynthia Bicalho, Alyssa Hatch and Erinne McEvilly as our Student Council Representatives. Our Secretary position remained vacant.



Junior Year

So close and yet so far away from being at the top of the school, we entered into our Junior year with anxious anticipation. We elected Sam McGown as our President, Marie Curiel as our Vice President, Kaleigh O'Malley as our Secretary and Audra Doolin as our Treasurer. Representing our Student Council interests were Samantha Andrade, Cynthia Bicalho and Erinne McEvilly. We hosted our Homecoming dance in October and danced the night away at our Prom in April. Spirit Week offered us a minimal challenge as we dominated the school. As June approached, we were ready to begin the final chapter of our high school experience.

SENIOR YEAR

August 2017 started our final chapter at Clinton High. We were finally the top of the school... and on top of the world. We dominated Spirit Week yet again, proving we were unstoppable. We elected Sam McGown as our President, Marie Curiel as Vice President, Nehemie Lamarre as Secretary and Ellie Gaughan as Treasurer. We began the year with anticipation of the last day, wishing for snow days and a speedy end to the year. As we gathered for our Senior parade and ran through the halls for the final time, we were filled with hope and a little sadness. We spent a steamy day at Six Flags for our Senior Trip, shared our Senior Banquet at Mount Wachusett, listened as Mrs. Kaizer instructed us to "connect the dots" of our lives and shed tears as we watched our senior video at Baccalaureate, and finally received our coveted diplomas, in the Town Hall, on June 2, 2018. In the blink of an eye, four years had gone by, and we were ready to say our goodbyes to the halls, teachers, staff, administration, and underclassmen of Clinton High.

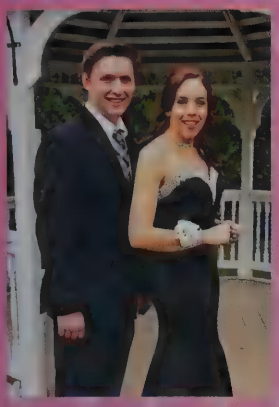
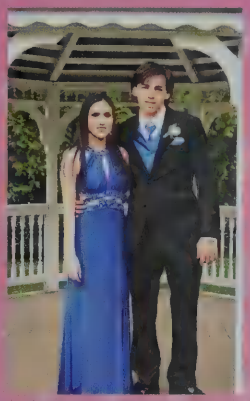
Homecoming

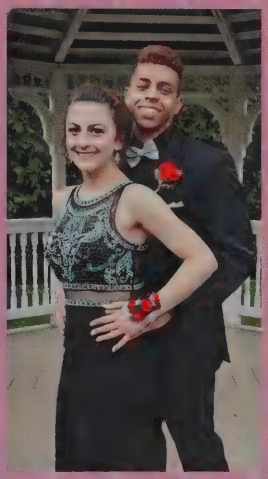
We hosted the first of two major dances on October 15, 2016. Our Homecoming theme was "At the Beach." Matt Tambolleo and Audra Doolin represented us as king and queen. Their court included Osman Ramirez, Meribeth Ramos, Cynthia Bicalho, Victor Zapata, Jacob Lee, Shannon Schollard, Dylan Neeley and Marie Curiel.

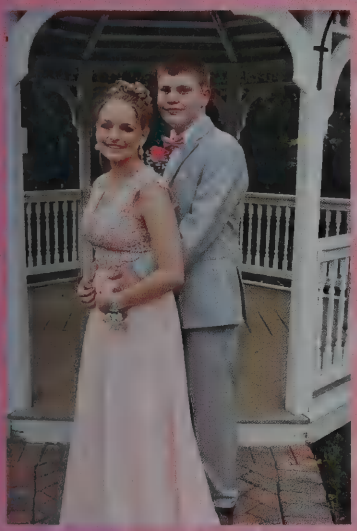
Prom

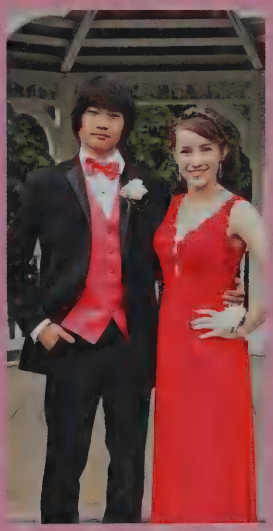
The Chocksett Inn, in Sterling, was the setting for our most magical night of all, our Junior Prom. On April 29, 2017, Deysy Campos and Sam McGown were chosen as king and queen, while Irbin DeLeon, Alvin DeLeon, Dan Navas, Aubrey Daniels, Diane Contreras, Sam Andrade, Alicia Fedele and Elba Patel were chosen as their court.











International Travel

April 13-21, 2018, 33 Clinton High School juniors and seniors, accompanied by Miss Ball, Mr. Howard, Miss McGrail, Mr. Duggan and Mr. Zapantis, traveled from CHS through various parts of Europe. Students took in the sights and sounds of France, Italy and Greece. Experiencing art, museums, music, food and the general culture of these locations, provided students with a learning experience they'll never forget.

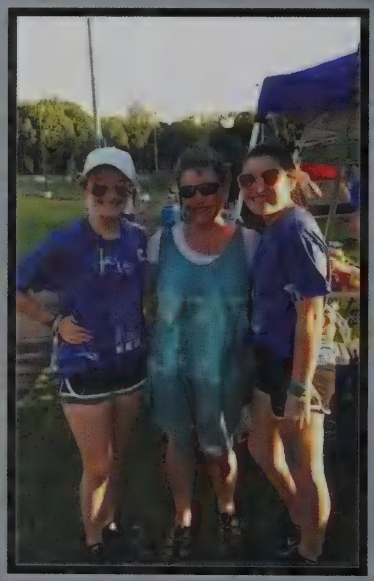
Excel Club

The Clinton High School Excel Club displays loyal help throughout the community with numerous service opportunities. Led by Mrs. Rose Solar, the group volunteers at the town's annual Olde Home Day, Halloween Walk, Operation Christmas Child, Relay for Life, Daddy-Daughter Dance, the annual Senior Citizen Social, and at the Wheat Community Cafe, among other volunteer projects.



Step Up to Excellence

Step Up to Excellence consists of a group of students, chosen through a competitive selection process in the fall of their Sophomore year. Each student is paired with a mentor from the Clinton High School staff. As members of Step Up to Excellence, students participate in many community service projects, bond through group events, have two summer trips and complete over 90 hours of community service. This year's Step Up graduates are Jade Hildebrand, Daniel Navas, and Samantha Andrade. This year's group members journeyed to Woodward, PA, for a cheer camp, Uraguay and Costa Rica, as well as, engaging in various community service opportunities, such as Camp Sunshine.

National Honor Society

On May 15, 2018, the National Honor Society Ceremony was held in the Clinton High School auditorium, inducting 6 Juniors and 30 Sophomores. Speakers for the evening included Superintendent, Dr. Steven Meyer, Principal James Hastings, and President of the Rotary Club, Mrs. Majlinda Haxhaij. The four principles of the National Honor Society: Character, Scholarship, Leadership, and Service were symbolized by the lighting of the candles. After the ceremony, The Rotary Club sponsored a Senior Dinner at the Russian Icon Museum.

FIRST Robotics

The FIRST Robotics Team celebrated their 26th anniversary this year with another strong season. First Robotics was back for the 2018 season with a brand new game, FIRST PowerUp! As usual, the competition placed two alliances, composed of three teams against each other in a competition of science and technology. This year brought many common qualities of FIRST, but with a retro them! Teams battled against one another to take control of the field, and earn points, while facing unique engineering challenges, with new power-ups changing the dynamics of the game.

Like last year, teams were greeted with a 15 second autonomous, in which the robots controlled themselves. Robots collected power cubes and placed them on plates to control switches or the scale. When the scale or switch was tipped in their favor, it was considered owned by that alliance. Alliances worked to have ownership for as much time as possible, accumulating scores. A unique piece of this year's game was the correlation of time and points. The three new power-ups this year included: Force, Levitate and Boost. These three added a new component to strategy, requiring human players to work together and maximize their extents. This year's end game featured the challenge of ascending to the Scale to "Face the Boss." With a rung of only 13 inches, robots needed to find a way to ascend.

As always, teams from around the world gathered together to demonstrate the highest levels of engineering and critical thinking, while maintaining gracious professionalism.

Clinton FIRST finished 7-3 in the Curie Division, but did not advance to playoffs. We were awarded the Judges' Award at an event at Bryant University.

Boasting a record of 5-5, the Gaels proved that they are on the road to rebuilding. Starting the summer practice season with a grueling day of training sponsored by the U.S. Marines, the Gaels formed a solid brotherhood. Suffering a few injuries along the way, the team never gave up.

Several Gaels were recognized for their season-long accomplishments. Dylan Neeley, Alvin DeLeon and Aidan Flaherty were chosen as the All-Star representatives for the Gaels' Football team.

Baccalaureate

We celebrated our first formal event of graduation week, on May 30, 2018, as we gathered as a class for Baccalaureate. Mrs. Kaizer reminded us to "connect the dots" of our lives, as she connected hers as a Gael. She reminded us that to be rich does not always mean a person has money. She shared with us how she felt privileged to have shared the last four years with us on the field, in the halls and in the classroom. Finally, she reminded us to "go 1-0" every day. Even when we go 0-1, the next day always provides us with another chance to win, as long as we are trying our best. We cried together as we watched our senior video, and laughed at photos of our baby and toddler selves. Finally, we gathered with family and friends for refreshments and photos. We were ready for Saturday's graduation celebration.

Gael Spirit

- Toni Perla and Friends, CHS Class of 1989

What is Spirit? Spirit is literally defined as: life, soul and thought. It is a supernatural being, a brave individual, a ghost. It is vivacity and courage. It is enthusiastic loyalty.

What is Gael Spirit? Gael spirit takes on a meaning all its own. It's having the courage to continue on when all others have given up. It is never giving less than 100%. It is never having to prove yourself to others.

Gael Spirit is having the faith and determination to take risks, to dare to be different. It is never seeing anything as too big or too tough. It is seeing yourself as stronger and more able. It is always seeing the glass as half full instead of half empty.

Gael Spirit is perseverance. It is rising to the top in the face of defeat. It is never having to hang your head low when you have failed. No one ever fails unless they fail to try. Gael spirit is never having to say, "I quit."

Gael Spirit is togetherness, teamwork. It is together as a team, a club, a class and a school. It is working with each other instead of against each other. It is understanding. It is having the courage to admit when we are wrong. It is the courage to change what we can and accept what we cannot.

The true meaning of Gael Spirit lies within each of us. It is found in every person who ever put on a uniform, everyone who cheers them on and everyone who is silently pulling for them.

Look around you and then look inside yourself --- you will feel it because you possess it. **It is the Spirit of the Gaels.**

You're growing up to be such a wonderful person. My only complaint is, does it have to happen so fast?

We've watched in amazement as you've grown into the person you are today, and we're watching with great anticipation to see what you become. With your talent and determination, the sky's the limit!
